

# Educare for Early Years Newsletter

April  
2024

Thank you for taking the time to read this month's newsletter. We hope you find the information useful and enjoy your time with us.

### This Month:

This spring, our children will be learning all about lifecycles, looking at different animals and plants, and how they grow in a variety of conditions. Pre-School will gain first-hand knowledge about the butterfly lifecycle by observing it in real life with our caterpillars! This will help them make personal connections to the natural world and it will be great fun setting them free!

### Easter Competitions:

Well Done to our winners and everyone who entered, it was a really tough choice this year!

**St George's Day:** In celebration of St George's day on Tuesday 23rd April, all children are invited to wear something red/white or something dragon/knight/princess themed.

### Preschool Leaver Photos:

Preschool leavers photos will be on Tuesday 16th April. The group photo will be held at 10am so please bring your child in before this time. If your child does not attend this day, they may attend at 10am for the photos. Please put your child in their uniform if they have one.

### Primary School Allocation:

From Tuesday 16th April, Pre-School parents should be receiving emails/letters of confirmation for primary schools. We will be sending out a letter asking you to confirm your child's school so we can get in touch with their teacher to arrange a visit to nursery before they leave. If you are planning to appeal then please let us know so we can support you.

### Holidays:

Holiday season is approaching! If you have any holidays booked where your child will be absent from nursery, please let me know as it can help

with staffing and planning. If you do happen to go away, please feel free to send in any pictures of what you've been up to or add them to your home learning book. Edubear is also available for bookings for anyone wishing to take him on holiday with them.

### Sun cream and sun hats:

In hope that we'll be getting some sun soon, please could you provide us with an unopened sun cream and labelled sun hat for your child to keep at nursery. We will keep woolly hats & gloves for now too so we are prepared for all weathers.

### Parents evening:

Our Parent's Evening is on Tuesday 14th May. We hope you are looking forward to spending some time looking at your child's learning journey. The nursery will also be set out with lots of activities your child will get up to in the day that you usually don't get chance to see. Slots are between 6.30 - 8.00pm and will be available to book from the 29th April  
**PLEASE NOTE IT IS A CHILD FREE EVENT!**

### Bank Holidays:

As we have lots of bank holidays coming up, please book in your days in lieu, as any days not used by September will be lost. We have limited availability on certain days and we book based on a first come first served basis.

If you have any other questions or queries, please do not hesitate to speak to me.

Jess Lago  
Manager

## Key Dates:

St Georges Day  
Tuesday 23<sup>rd</sup> April

Preschool Leavers photos  
Tuesday 16<sup>th</sup> April

Please start bringing  
labelled Sunhats and  
Suncream
