

Educare for Early Years Newsletter

April 2024

A big welcome to all of our new children and families who have started with us, we hope you enjoy your time at Educare for early years.

What we are doing in April...

This spring our children will be learning all about lifecycles, looking at different animals and plants, and how they grow in a variety of conditions. Pre-School will gain first-hand knowledge about the butterfly lifecycle by observing it in real life with our caterpillars! This will help them make personal connections to the natural world and will be great fun setting them free! We love Spring!!!

Easter competition

Well done to all our entries and winners. We had some fantastic entries.

Charity Week

This year we will be doing our annual charity fundraising week commencing 6th May. The theme will be all about colours week. Rainbows etc you name it. The children will be taking part in a colour run and being sponsored for how many coloured items of clothing they can wear. There will also be a chance to splat Donna!!! More details to follow.

Security

A polite reminder to please ensure upon leaving the nursery that the door is shut firmly behind you and the gate is locked. This ensures the children are safe within the nursery grounds.

Finally

Thank you for your continuous support. If you have any questions or queries, please do not hesitate to speak to me.

Donna Blanthorn
Nursery Manager

Staff training

In March all staff attended safeguarding training to enhance their knowledge.

St Georges Day

In celebration of St George's Day, all children are invited to come to nursery dressed in red, white or blue on Tuesday 23rd April. Alternatively, if you have any princess, dragon or knight costumes, these are welcome too.

Primary School Allocations

From Monday 15th April, Pre-School parents should be receiving letters of confirmation for primary schools. Please let us know at nursery so we can make contact with schools to arrange visits before the summer term ends. Schools will possibly contact us also once parents have accepted places.

Key Dates:

Nursery closed:
Monday 6th
May 2024

Pre-school leavers
